TO BE THE BEST

In 1991, when I started my real estate business in Abu Dhabi, there was no grand vision, just a simple goal; to earn enough for today and a better life tomorrow

Now, I am often asked about the secret to our success; the truth is, there is no secret. The essentials for success are well known- perseverance, honesty, hard work and a passion for what you do.

Miracle Life Real Estate, in Dubai began its journey subsequent to our parent company M/S. Waves Property in Abu Dhabi on 1991. Over the years, we have built a strong reputation, serving distinguished clients including more than 18 embassies and world-wide leading companies such as Schlumberger Ltd, Parsons, Technip FMC, Total Energy, J&P, Worley Parsons, Majid Al Futtaim - Carrefour and Consolidated Contractors Company (CCC) etc.

Beyond real estate, we have expanded our presence in our home town with Hitex-Hiton Group of Companies, which now spans Real Estate, Property Development, Shopping Mall, Four-Star Hotel and Commercial spaces.

Today, our vision for the future is clear- we strive **To Be The Best** in everything we do.
